Hello Rosebery PS families,

Assembly gets better and better

We had another fabulous assembly this morning highlighted and hosted by our fabulous students from Years 2/3. Huge congratulations to Ms.Primero and her performers who showed us just how entertaining some chopsticks can be if you are creative enough. Well done also to Ms.Spencer and Mr.Morrison who are certainly growing a wonderful class and school community – albeit with students who have come to Rosebery PS from 21 different schools! Amazing! I was very proud to see these students so connected, happy and comfortable on stage.

Parents getting together

A little reminder also to parents that we have a Parent Morning Tea running every Friday morning after assembly and this is proving to be a wonderful way for our parents to become a school community. Further to this we are nearing a stage where we will be forming our first school council. More than 30 parents came along to a meeting (and sausage sizzle!) on Tuesday evening where we unanimously voted to form a council of between 12-15 members very shortly. Our local member, Peter Chandler, addressed the group and told us all about the challenges and benefits of nominating for School Council. There will be much more information available in the coming days.

Road safety around our school

I would also like to take this opportunity to ask families to discuss road safety around the dinner table this week. With two schools in one precinct, it can mean we have more kids, more cars, more traffic and more potentially dangerous situations around our school. If your children ride to school, please chat with them about sticking to the paths and crossings available to them at all times. We are determined that one simple mistake, by either a child or a driver, should not be paid for with serious injury or even worse.

Sports stars at Rosebery PS!

It’s also timely to thank Mr.Morrison and Ms.Banicek who took our first school sports teams to NT School Sport Try Days this week. I’m told that these students competed with teamwork, sportsmanship and fair play at all times. Well done to you all – and a fantastic message to be sending to the Palmerston and Rural community about how Rosebery people conduct themselves at all time. I’m so proud of you all.

As always, if there is anything that you would like to discuss about our school or your child’s education then we are ready for a cuppa and a chat. Feel free to contact myself on adam.voigt@ntschools.net, our Assistant Principal Shona Henderson on shona.henderson@ntschools.net or your child’s teacher at any time.

Have a wonderful weekend everyone!
