Parents, guardians and carers,

One of the things that makes me, as Principal of Rosebery Primary School, most happy is seeing and speaking to so many parents/guardians attending our assemblies, special events and just being around in the mornings and afternoons. I would like to invite parents/guardians to visit your child's classroom and speak to their teachers and offer assistance if you have any spare time.

At Rosebery Primary School we pride ourselves on being respectful and responsible members of our school community. This applies to both at school and outside of school. Our school uniform should be worn with pride and that shows we are a part of the Rosebery Primary School community. I would like to remind parents and children that once school is finished for the day and you are still wearing the school uniform your behavior and actions reflect on our school as a whole, so exemplary behavior is expected. A good practice to get into is to change out of your school uniform into more comfortable clothes, once you get home, and this will eventually turn into a good habit.

The weather has been quite wet lately and our grounds are sodden as yours would be at home. I have asked all students and teachers to be aware of trying to stay dry as far as possible as it becomes a trap for young children to walk in puddles coming to and from school. Wet shoes can stay wet for days in this weather so it is important to remind your children to do the right thing with so much water around. With the closure of the school due to the cyclone warning the other day I noticed a number of children I recognized as our students, playing in a flooded waterway just down from the school. It is vital we remind children not to play in drains and gutters when it is very wet as we don’t want any unforeseen accidents taking place. Please be aware that at school we will be running a ‘wet weather’ recess and lunch on days that it is raining and/or our grounds are too wet to allow the children out to play.

Finally, today we had Crazy Hair Day and everyone was asked to donate some money for cancer research. Mr Mick Santi and Mrs Phillipa Ludwig both agreed to have their heads shaved or cut very short. This was to the delight of children and parents alike and it is with great pleasure I announce we have raised over $561.65. I would like to also thank Mick Santi for organizing this fun day.

Have a great weekend

Gail Smith
Principal

Every Child, Every Day - improving student enrolment, attendance and participation is everybody’s responsibility and everyone’s business.
COMING SOON
Rosebery Primary School Dry Season
