Term 2

Week 10

Dear Parents/Carers,

We are at the end of a wonderful semester. We have had lots of exciting activities taking place over this semester and the students have once again done a great job. Teachers have worked hard to ensure all reports reflect fully the extent of your child/ren's learning so far this semester. I would like to take this opportunity to thank all our parent helpers over the past two terms and look forward to ongoing support for the remainder of this year.

The reports were sent home yesterday so if you haven't got them please check with your children. If you have any concerns the first port of call is the classroom teacher. Please remember that the A – E grades are where your child is at now and has demonstrated for half way through this year. All student would ideally be a C or higher by the end of the year in their reports. If this is not the case you will notice they are receiving support in one form or another to assist them to reach their potential.

I will be on 2 months long service leave returning to school in Week 6 of Term 3. In my absence Shona Henderson will be acting Principal and Danielle Banicek will be acting Assistant Principal. To fill Danielle's co-teaching role with Philippa Ludwig will be Brian Morgan. Brian has been teaching at Nightcliff Primary School until recently.

We have created a new 2/3 class for next term and the teacher of this class will be Kathleen Reynolds. Kathy has done a fair bit of relief teaching here for us this year and knows many of the children already. We welcome both Brian and Kathy to our staff at Rosebery Primary School.

Matthew Holt will be taking the first 3 weeks of term 3 on Paternity Leave as they are about to have their first baby. Art Libien will be co-teaching with Mel Spencer for that period of time as he already has a good relationship with most of the children and knows our school very well.

Remember Friday is a Professional Learning Day for Rosebery staff and we will be focusing on Reading and Assessment with a Visible Learning Focus. The last week of the holidays will also be used as a professional Learning week where most staff will undertake Kagan Professional Learning. This is followed up on Monday 22nd July with a further session for staff ready to begin the school term on Tuesday 23rd July.

Enjoy this cool four week break with your families and we look forward to seeing everyone back and ready for learning in Term 3.

Fantastic Effort

In order to assist students in our school with severe nut allergies we are asking all of our parents to help us promote a nut free environment. **Please assist us in keeping your children safe.**

V8 SUPER CARS

Last Friday five of our Year 6 students attended the V8 Supercars. It was an amazing day where we held a crocodile and saw a guy doing push-ups

on a motorbike while doing burnouts. We attended an all-you-can-eat-buffet in the Chief Ministers marquee then we met the Chief Minister and watched as Fords and Holdens burned around the track. One of us even made it on T.V!
