Parents/Carers,

Rosebery has been a hive of activity this week with a number of community events taking place. This has been a fabulous opportunity for me as the school’s newest staff member to meet families. For those I have not had the pleasure of meeting yet I look forward to doing so in the future. I would also like to take this opportunity to thank everyone for their warm welcome.

Our busy week started with Rosebery hosting the NT Music School Instrumental Play Day on Wednesday 21 May. We had over 50 participants from our school and another 30 from other Palmerston schools. Thank you to our Performing Arts Teacher, Meleene Primero for organising this event, including the short concert we were all invited to attend at the close of the day. Such events support our significant focus on the Performing Arts and allow some of our students to showcase their musical talent.

Wednesday night had the students returning to school with their dancing shoes on for the Green Light Disco. This enjoyable community event raised $2658 for our school and a great time was had by all. It is important to note that such events are not possible without the support and hard work of parent and staff volunteers. A huge thank you to Kylie Gibbons and all volunteers for the time and effort spent organising this successful evening.

Students came together today as part of the Australia’s Biggest Morning Tea fundraiser. There were lots of delicious treats on offer and we were successful in raising over $300 for this important cause. Thank you to families who provided plates of food and to those who contributed donations, big or small. All money raised will go to the Cancer Council for research, prevention and support services.

Thank you again to those parents who have been taking particular care in the car park when dropping off and picking up children. As previously noted the laneway is for drop offs and picks ups only. If you cannot see your child please do another round and make some room for other cars that have children waiting for pick up. The drop off and pick up zones at the front and rear of the school are for 2 minute standing and not for parking. Speed limits are clearly identified within and around the school. Please heed these limits and drive with care. We appreciate your ongoing support in keeping our students safe.

We encourage students to take the time this weekend to relax and recharge after such an eventful week.
