Parents and Carers,

Thank you to all the creative and wonderful parents who helped to make our ‘Book Character Day’ so special by helping your children dress up for our parade. Everyone looked fantastic and it is good to see so much effort going into it. As a judge it made my job this year much harder. The book responses that followed recess were also varied and interesting.

We recently received our Year 3 and 5 NAPLAN results and are currently validating them. We are able to send the results home in coming weeks.

I would like to give a big thank you to parents/carers who park or pick up their children, for taking extra care of late. As you may know the Youth Engagement Police Officer (YEPO) has been spending time outside our school with the speed gun and other Officers are randomly checking cars for correct child restraints and roadworthy cars. The speed and parking issues are something I write about a lot in my newsletter and will continue to do so as all our children need to be safe when travelling to and from school and we all need to be aware of the speed limit around our schools.

Next week we have two major things happening at Rosebery Primary School after hours. The first is the Triple P Positive Parenting Program starts on Tuesday evening from 6.15pm in the Afterschool Care Room runs for 4 weeks. Please email Roseberyps.admin@ntschools.net if you are interested as we still have a few spots vacant. This is a fantastic program for any parent who is willing to tuck away a few more positive parenting strategies to help with your children at home. This program follows closely with what we already do at school so it will support what your child is used to at school as well.

The second is that we have our Back to School Festival on Thursday 4th September in the evening starting at 5pm going through to approximately 7pm. At 5pm you can purchase your dinner from the canteen, sit and enjoy and meander around the classroom displays in the Assembly Area and watch some short performances by some of our talented student groups. At 5.55pm I will announce that it is time to go Back to School and you will be required to go to your child’s classroom and enjoy a lesson with the teachers and learn about Visible Learning and your child’s Goal Setting. You will have the opportunity to visit a classroom a second time if you have more than one child just for the goal setting part of the presentation. Please come along prepared to engage, enjoy and discuss your child’s learning with them on the evening. I am looking forward to seeing lots of families enjoying a meal and learning together.

We are soon to put out the times for Parent Teacher interviews. Parent/Teacher interviews will take place in Week 9 starting Monday 15th September. We will ask you to register online soon. Please ensure you take the time to come and visit your child’s teacher and discuss their progress.

I would like to think all our students go straight home after school and don’t loiter around the streets however, I have a number of complaints about our students on their bikes and scooters doing the wrong thing on the way home from school. Parents/Carers please take some time to discuss this with your children.

Enjoy the last of our beautiful dry season this weekend.

Gail Smith
Principal

Every Child, Every Day - improving student enrolment, attendance and participation is everybody’s responsibility and everyone’s business.
In order to assist students in our school with severe nut allergies we are asking all of our parents to help us promote a nut free environment.

Please assist us in keeping your children safe.
