Thank you to all our families and students who helped support SUPER HERO DAY. All money raised will go towards helping raise awareness for muscular dystrophy. The total amount raised was $253.35.

Parents/Carers,

Thank you to all the parents/carers who attended our Back to School Festival last week. It was a great success and all the class displays were amazing. The dancers did a fantastic job of entertaining the crowds whilst everyone ate their dinner purchased from the canteen and enjoyed the atmosphere. I would like to offer a huge thank you to all the parents who were involved in the cooking and serving of the yummy food. We only do this every second year and we are improving on it each year. This year it was a chance for parents to see the learning your child has been undertaking at school and an opportunity to get involved with their goal setting and look at how you can help them achieve their goals. This is a perfect lead up to parent/teacher interviews.

Our Father’s Day stall was a huge success again this year and hopefully all the fathers out there appreciated their specially selected presents from your child/ren. Well done to Kylie Gibbons and other helpers for such a great job organising this event.

Well it is that time of year again where we are conducting Parent/Teacher interviews. You should have already locked in your times with your child’s teacher online as per the instructions sent home a couple of weeks ago. If not and you wish to have a time booked please speak directly to the classroom teacher as the interviews start on Monday 15th September. This is a time where you can talk to your child and then together work with the teacher to see what will assist your child in their learning at school. As you may be aware we are school members of Parenting Ideas so I have attached an Insights article on Parent Teacher interviews for you to ponder before your interviews next week. Members of the school Leadership Team will be available on interview afternoons also if required.

Rosebery Primary and Rosebery Middle Schools work very closely together and pride ourselves in supporting our students. In saying this we have been working on a solution to the change in school times of the Middle School to alleviate issues we were experiencing at the end of our school day. This has been quite successful with passes being issued to Middle School students. However, some of our students are not being respectful of the Middle School and have been riding their bikes or scooters through the Middle School on their way home or to school. We have been addressing this issue with the assistance of CCTV footage and speaking directly with the students involved. If you could have a conversation with your children about going directly home rather than through the Middle School that would be appreciated.

Car park issues continue and a number of School Council Members have been speaking to parents/carers in the car park if you are waiting in your cars in an inappropriate place. Please remember to use the car parking spaces first if you are waiting in the ‘kiss and go’ area it should be drive in drive out. Our speed limits around the school are 10 or 20km depending on where you are please ensure you are observing these speeds. I have asked the Youth Education Police Officer to monitor our car parks and lane way so you will be seeing police officers more regularly. Checking of car seating is also something that is being checked by police officers but not at our request this is due to the change in legislation so please ensure you have the correct car seating for your children.

Our NAPLAN results this year showed an improvement in all areas and the tracking of all students who were here in year 3 again in 5 and even our students from last year, now in year 7 has shown improvements over those years. At our next School Council Meeting I will be doing a presentation to show our areas of success and to look at the areas that we may need to focus on for 2015 so that we can build this into our Annual Operational Plan.

### Allergies

Rosebery Primary School is dedicated to providing a safe environment for our students.
In order to assist students in our school with severe nut allergies we are asking all of our parents to help us promote a nut free environment.

As a result we ask you not to send to school the following items:
- Sandwiches with peanut butter or other nut butters or pastes.
- Nuts in biscuits, sweets or salads
- Muesli bars containing nuts
- Or any other forms of nuts

Please assist us in keeping your children safe.

### Update Details

**DO YOU NEED TO UPDATE YOUR CONTACT DETAILS?**

Please ensure that the school has your latest contact details in case of an emergency.

### Junior Police Ranger Program

The Junior Police Ranger Program provides young people with diverse skills and activities such as navigation, bushcraft, radio communication, public speaking and much more.
Applications are sought from students in Year 6. Each child participates in the scheme over three years, finishing in Year 9.
The Junior Police Rangers also participate in community service for organisations such as the Variety camp, Salvation Army and Red Cross.

For more information call 08 8922 3282 or 0499 022 778 or visit our website:
