Parents/Carers,

Another wonderful year has now come to a close. I would like to thank everyone who has helped out this year in a variety of ways. Our students at Rosebery Primary School are very lucky to have such supportive families, a dedicated school community, wonderful teachers and staff and we look forward to seeing you all again in the new year.

We have just completed a brilliant and very impressive Awards Assembly today. A big thank you to all involved in making it a huge success. It is obvious that many of our students are exceptional not only receiving one award but some two or three. Congratulations to all students for their efforts throughout the year as it is a very proud moment when we see all the hard work come together.

Reports went home on Tuesday with students and any that were not collected due to students being away have been returned to reception for safe keeping. If you have not received your child's report, please contact reception on 89305100.

The Year 6 Graduation was held on Tuesday evening and everyone had a great night. Thanks to Mrs Banicek and Mrs Ludwig the students had a wonderful sit down meal, viewed a slide show of the year and danced the night away. This was topped off by a Graduation cake and pavlova.

We have posted the 2015 class lists on the student entry window leading into reception. This is for all to see where your child will be placed for next year and who their new teacher will be. We have asked each teacher to provide a photo and a short blurb about themselves for you to get to know a bit about them prior to the beginning of the year. We only have one class teacher unfilled at this point in time. I appreciate families with more than one student taking photos of the lists in the window but I would like to remind you of your ethical and moral responsibility to treat this information as private and for your own personal reference as there are some families who do not want their surnames out in the public arena. So please no sharing with others via text messages or Facebook or any other social media postings. I trust people understand the ramifications of this for some families and will respect their rights. As stated in previous newsletters the selection of classes for students is done carefully and for the purposes of addressing the student needs.

I would like to take this opportunity to wish everyone a very Merry Christmas and a Happy New Year. Enjoy the festive season with your family and friends and make it a safe and happy one for all.
