Parents / Carers

On Saturday 7 May the Rosebery IGA supermarket is holding its official opening including a gold coin donation sausage sizzle. All proceeds of the donations have been offered to RPS. If you have a spare half an hour between 10am and 2pm tomorrow it would be appreciated if you help man the stall. Please simply pop down and offer your assistance.

We have decided to take a safety first theme to this newsletter. There has been a number of situations lately when staff have had difficulty contacting parents regarding their child. In most cases it is because people have changed mobile phone numbers and it has slipped their mind to inform school. If you have recently changed any component to your contact details please contact the school to update your information. This can be done through reception or by emailing roseberyps.admin@ntschools.net. It has been noticed that recently there has been an increasing number of students arriving early. Some students are arriving as early as 7am. There is no school supervision until 7:45am. Having students unsupervised for a length of time prior to teachers being on duty presents a multitude of safety and duty of care concerns. If your family circumstances require your child/ren to be at school prior to 7:45am you need to access the outside of school hours care facility we have available.

For children riding or walking home without an adult it is important they walk with a friend or group of friends for their safety. It is ideal to talk with your family about stranger danger and how to recognise, react and report an unsafe incident. The Morcombe Foundation have a user friendly website with lots of fantastic support materials. [http://www.recognisereactreport.com.au/index.html](http://www.recognisereactreport.com.au/index.html)

The unusually inclement weather at home time has unfortunately re-ignited some issues in the car park. This is a timely reminder that our car park requires all the normal road safety and road rules. For the safety of our students please ensure you park only in designated spaces not on the footpath, verges etc. If a member of the community approaches you to respectfully remind you to follow road safety and rules please take it with the good intent with which it is offered and relocate your car or do another loop while waiting for a vacant space in the drop and go zone.

To all our mums, grandmas, carers enjoy your day on Sunday.

Rachel Turton
Acting Principal
VALUES

AWARDS

Yiannis Tzelios ~ All Values
Beau Bourke ~ Confidence
