To Parents/Carers

Last week 43 Year 5 students packed their bags for a four day adventure of a lifetime. There were many highlights for all students some of them included rock climbing, abseiling and the famous flying fox. For teachers, I know the highlight was to see our students overcome their fears, work together harmoniously and engage positively with each other in an outdoor environment. A big thankyou to Mrs Ludwig, Mr Baker, Mrs Shannon and Mr Dunbar for their continued support of our outdoor education programs at RPS. We have given suitable referee reports to Bear Grylls and the producers of the upcoming Croc Dundee VII.

On Tuesday, 50 talented RPS singers and dancers performed at the opening of the new Woolworths complex at Bakewell. Our students did us proud and earned $1000.00 from Woolworths for their effort. This money is now sitting in our RPS performing arts budget. “Well Done” to our students and Mrs Williams for putting on a great performance.

Our sports teams had their first house meeting this week preparing for our upcoming Sports Day. Commendations to our House Captains who demonstrated leadership, passion and excitement. It was LOUD! Remember our sports day will be held during week 11 on Thursday 23 June, 2016. It is always a super day. Judging by the team chants being heard around the school the team spirit is alive!
Who will our champion house be? Balli, Wamba, Menida or Mamba?
On your marks, set…go!!

Our student’s safety is of the utmost importance at Rosebery Primary. We discuss ways to keep safe in and around the school. Road Safety and Stranger Danger are two topics we visit regularly. Over the last two weeks we have had several phone calls regarding some of our students hanging out in the underground parking at the new Rosebery shopping centre and the Sunset Apartment complex. Our main concern is the safety of our students and being a carpark this is definitely not the most ideal place to play. Could I please ask that parents have a chat with their children in regards to avoiding these areas for play and how important it is to stay safe when walking to and from school ensuring they know how to navigate driveways, roads and carparks. Always stop, look, listen and think before crossing a road, and use pedestrian crossings wherever possible. Always cross at the safest point, even if you have to walk further out of your way. It is also an opportunity to discuss the messages about stranger danger and the Daniel Morcombe Foundation’s Recognise – React – Report. There are some great resources available to reinforce this message. http://www.recognisereactreport.com.au/

Have a SAFE AND HAPPY weekend.

Danielle Banicek & Jacqui Wait
Assistant Principals
**VALUES AWARDS**

Logan Bulow ~ Confidence
Karly Savill ~ Confidence
Holly Thompson ~ All values
Huda Usman ~ Cooperation
Wade Smith ~ Resilience
Edward Clarke ~ Respect & Cooperation
Lauren ~ Respect & Confidence

Voluntary Parent Contribution

Rosebery Primary School (RPS) strives to develop resilient learners with a strong focus on respect through Restorative Practices. Our staff are innovative in teaching and learning to academically engage and challenge our students as well as providing collaborative and cooperative learning opportunities for all. RPS staff aim to activate a sense of creativity in our students through a major focus on the Performing Arts and the use of Information Communication Technology (ICT). Voluntary Parent Contributions are used to further enhance our learning environment and allow students to access a range of resources across all areas of the curriculum.
Thank you to all our students, families and staff for making the Cancer Council Biggest Morning Tea such a success. Total raised: $1102.00.
