To Parents & Carers

Congratulations everyone for making it to the week 10 mark it is always challenging when we have an 11 week term. Normally we would be wrapping up and getting ready to relax at this point however Staff and students are working hard to maintain energy levels to make the most of our “extra” week.

A big incentive for everyone at the moment is our annual Sport’s Day next Thursday 23rd where students can showcase their talents in different sporting ways. Families are encouraged to come and join in the cheering and exciting atmosphere.

This term we have excelled in our participation in; learning, NAPLAN, Harmony Day, Shave for a Cure, ANZAC Day, Red Nose Day, Biggest Morning Tea and the year 5 camp. We would like to offer a big thank you to all our families and community for their support to make the most of these experiences.

In anticipation of next term I would like to plant the seeds of preparation. We have a significant number of students not wearing full school uniform at the moment. As students prepare to return next term please ensure that readiness includes a full school uniform every day. Uniforms are on sale over the counter at reception at all times, alternately you can order and pay for uniforms over the phone. To use this option please call reception on 89305100.

Many parents and visitors provide services to our school. All persons on school premises are asked to comply with a responsible and respectful code of conduct. At Rosebery Primary our school values are respect, cooperation, confidence, integrity and resilience. A duty of care should always be adhered to while engaging in interactions between any combination of; students, staff, parents, families and other visitors this ensures the well-being and safety of our whole school community. Our goal is to always model and promote one of our core school values: Respect. As always if you have any concerns please see me around the grounds or you can make an appointment through reception.

I hope everyone has a restful weekend and enjoys the V8 Supercars. We look forward to a fun filled last week of school next week.

Rachel Turton
Principal (Acting)
